

SMALL COMPANY BUSINESS CLUB

Brought to you by TC Group

**BUILDING BETTER BUSINESS.
OVER BREAKFAST.**

RISE & SHINE...

'Not another business club', we hear you sigh...

But this one's different.

The coffee's as strong as you like it, the pastries are buttery and warm, and the conversations are a generous serving of insight.

Welcome to TC Group's Small Company Business Club (SCBC).

It's your quarterly dose of straight-talking guidance and expert support, over a top-notch breakfast spread.

SCBC's designed for **business owners** like you - leading companies with turnovers of up to £1m. People who want practical, no-nonsense advice from professionals who understand your world.

Because let's face it. Running a business can be lonely and can leave you second-guessing every decision. Sometimes, all it takes is the right conversation with like-minded people (over a croissant), to ease the worries and spark that 'A-HA!' moment.

Here our members come together to share initiatives, learn valuable new skills, take away actionable advice, all whilst growing their network.

The SCBC's for business owners who value:

- Fresh thinking, not sales pitches
- Practical guidance from specialists
- Real and honest business conversations
- Good food, great company, and brilliant ideas

WHAT'S ON THE MENU?

Your SCBC Membership

For just **£195 a month**, your membership includes:

Quarterly breakfast meet-ups at rotating venues – either hosted at a TC Group office (Leicester, Milton Keynes, Northampton, Southampton), or held at a member's premises for an informal 'show and tell' behind the scenes of their business.

- **Access to member-only resources and advice** from Accounts, HR, Payroll, and Tax (more on that over the next few pages)
- **Quick wins and smart ideas** to take back and start using in your business right away
- **A chance to connect** with fellow business owners, founders, and decision-makers who understand the daily challenges of running and growing a business

We believe the best advice is shared over a bite to eat.

Sure you can expect a continental spread, fresh fruit, salmon, avo, pastries, and Alia's 'famous frothy coffees', but there's a lot more on offer for SCBC members.

Special guest speakers

from the world of funding, law, marketing, recruitment, and more (the day-to-day stuff that really matters to growing businesses). It'll be educational, informative, entertaining, but never salesy.

Your commitment

All we ask is that you attend at least 2 of the 4 quarterly events, bring guests if you like, support other members, and always show up with a positive mindset (and a big appetite!)
